About THFI

The TROPICAL HEALTH FOUNDATION OF INDIA (THFI) has been reaching out to people with disability since 1986.

THFI was founded by the present chairman Dr. Jacob Roy & Late Maj A. V. Thomas.

THFI is a premier institution in Kerala, recognised by the Ministry of Social Justice & Empowerment, Government of India.

The Neurodevelopmental Centre of THFI has started in February 2006 with the vision of integrating the children with developmental disabilities into the main stream of society.

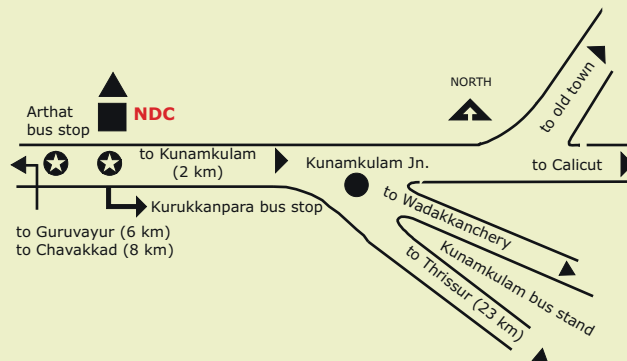

At present we have 40 children attending the sessions regularly

Activities of THFI:

- **Neurodevelopmental Centre**
- **Special School for the Disabled Children**
- **Prosthetic & Orthotic Workshop for Physically Disabled**
- **PSH (HIV / AIDS Prevention Project)**
- **Multipurpose Village Development Centre**

OVERVIEW OF SERVICES

INDIVIDUAL THERAPY SESSIONS

The child within this one to one session will be diagnosed and treated following a comprehensive approach

SPECIAL PRESCHOOL CARE

For children below 5 years of age with development difficulties we run a special preschool where we provide

- Therapy
- Special Education & Speech Therapy
- Indoor & Outdoor Games

LONGTERM CARE / SPECIAL SCHOOL

For children above 5 years of age with residual physical and/or cognitive disabilities we operate a special school for further education & beneficial vocational training

FINANCIAL ASSISTANCE

Families with poor financial resources may find it difficult to pay for therapy expenses & special equipments.

We therefore gratefully encourage sponsorship from volunteering help organizations & magnanimous individuals to assist those families

Concessions for therapy expenses are also provided upon application.

Support us !
